

HPCS KINDERGARTEN

Hey, hey, Kindergarten families!

We are so looking forward to meeting you and your sweet little kinder and we are thrilled to welcome you to the exciting world of KINDERGARTEN at Homer Pittard Campus School! We have a wonderful year in store and rest assured, we are working hard to make this a year full of excitement, engagement, social, and academic growth.

The kindergarten year is one full of memory making and we plan to make some great ones with your littles! We are excited to get started and we will be contacting you shortly with your child's phase in day. We will also be hosting a meet the teacher/open house and we will communicate that date/time with you soon. During that meeting please bring all your child's school supplies labeled with your child's name.

Please also make sure to check our classroom websites regularly as we will be posting updates there. We have a MAGICAL year ahead of us! We are looking forward to this amazing year with you!

Best wishes,

The Kindergarten Teachers
